

PORI YN RHAGORI  
GRAZING IS AMAZING

# LANTRA Stock Checker Course

Conservation grazing is essential for keeping our landscape beautiful and full of wildlife. We rely on ponies, cattle and sheep to graze our nature rich areas and sometimes these places are remote and only accessible by footpath. Farmers and graziers need local people to help them to check their livestock. **Would you like to learn basic livestock checking skills in order to help out?**

**Tuesday 5<sup>th</sup> December 2017**

**9.30am - 4.30pm**

**Cross Inn, Main Road, Llantrisant, RCT**

£30 per person for organisations, free for volunteers, booking essential
